“Students in Action: Real Client Interactions”

The screenshot displays the AGF Academy website. The browser's address bar shows 'agfacademy.com'. The website's header includes a navigation menu with links like 'Inter', '8 We', 'Tren', 'Jawh', 'how', 'Jawa', 'Welc', 'Intro', 'AGF', '(8) V', 'zm Post', and 'zm Post'. A video call window in the top right corner shows a woman with the label 'AGF'. The main content area features the heading 'Programs Designed for every Child's best Start!' and four program cards:

- Phonics**: Our phonics program enables young learners to develop effective reading and pronunciation techniques. Through playful learning activities, children gain proficiency in letter sounds, blends
- Math Magic**: Explore the magic of math in a fun-filled way! Our Math Magic program makes learning numbers, calculations, and Practical problem-solving skills exciting through fun online games and Techniques
- Hand Writing**: "Good handwriting builds self-confidence! Our handwriting program helps kids improve letter and line formation, spacing, and writing speed, ensuring neat and clear handwriting in English, Hindi, and Telugu."
- Grammar**: "AGF Academy facilitates learning English grammar in a fun and communicative way! Kids develop a strong foundation in sentence formation, tenses, and vocabulary through live classes

The Windows taskbar at the bottom shows the date as 22-05-2025 and the time as 12:42. The system tray includes icons for weather (32°C Partly sunny), search, and various application icons.

we ensure students work on live projects and gain real-world experience through hands-on client communication."
